

How long will each kit take to complete?

Depending on your skill level, kits can be completed in as little as one day to one week.

What skill level is required for completing each kit?

The kits range from beginner to intermediate.

Is everything that is needed to complete the project included in the kit?

Yes, all kits include fabric, needle, floss, instruction sheet, and any accessories (such as plastic frame or hoop) that are required for finishing the kit.

Is the instruction and chart easy to follow?

Yes. Package instructions include step-by-step stitching diagrams and finishing instructions for each kit.
